JOURNAL (JCVA)

The Journal of Cardiothoracic and Vascular Anesthesia

The Journal of Cardiothoracic and Vascular Anesthesia (JCVA) is now the official journal of the European Association of Cardiothoracic Anesthesiologists (EACTA). Journal of Cardiothoracic and Vascular Anesthesia is primarily aimed at anaesthesiologists who deal with patients undergoing cardiac, thoracic or vascular surgical procedures. JCVA features a multidisciplinary approach, with peer-reviewed contributions from cardiac, vascular and thoracic surgeons, cardiologists, and other related specialists. Emphasis is placed on rapid publication of clinically relevant material. The journal is international in scope and encourages innovative submissions from all continents.
